

Here is the Jeffrey plant list for the Autumn Show – **Sept. 2nd 2017** - 43 different varieties for you to choose from, our biggest choice ever! All are at bargain prices, so a great opportunity if you are starting a new garden or revitalising old plantings. We hope you find something that appeals. Do peruse the list, mark it, and bring it along on the 2nd so we can quickly select what you want. **Please circulate to other enthusiasts. We have lots to sell!**

Further donations for the plant stall will be appreciated. The bigger the variety of available plants, the better. These can be brought to St Nessan's School after 4pm. on Fri. Sept. 1st or **as early** as possible on the morning of the show. Please label clearly or seek advice if you are unsure. A brief description and picture is always useful.

We look forward to seeing lots of eager buyers!
